JOHN W. DILLON, Agent,

## HEAPER GAS FOR BARRE

The Gas Company started out to furnish gas to its customers for all domestic purposes at a price of \$1.50 per one thousand cubic feet, with a discount of 25 cents per one thousand feet on all bills that are paid by the 10th of each month for gas consumed the previous month.

The Company adopted the policy from its start to reduce the price of gas the increase of its business would permit, and in accordance with this policy, and of the generous support given by the citizens, we wish to announce that on and after June 1st, 1905, and until further notice, the price of gas to the ordinary consumer will be reduced 10 cents per one thousand feet, making the net price \$1.15 per one thousand feet if the bills are paid by the 10th of each month for all gas consumed the previous month, and for those consuming gas in large quantities the following graduated scale has been adopted, and the discounts are made from the established price of \$1.50 per one thousand cubic feet:

Any amt. up to and includ'g 3000 cub. ft. per month, disc't 35c, net price \$1.15  
Over 3000 up to and includ'g 5000 cub. ft. per month, disc't 40c, net price 1.10  
Over 5000 up to and includ'g 10000 cub. ft. per month, disc't 45c, net price 1.05  
Over 10000 up to and includ'g 20000 cub. ft. per month, disc't 50c, net price 1.00  
Over 20000 up to and includ'g 30000 cub. ft. per month, disc't 55c, net price .95  
Over 30000 up to and includ'g 50000 cub. ft. per month, disc't 60c, net price .85

And the Company wish further to announce that after June 1st, 1905, all gas bills that are not paid by the 10th of the month for all gas used during the previous month will be collected at the established price of \$1.50 per one thousand cubic feet.

There is no city anywhere the size of Barre, and but very few larger cities in New England, that sell gas at so low a rate.

The four-year-old son of John LaBombe of West Swanton, cut off the end of one of his two-year-old brother's fingers with an axe one day recently.

Clara Buffum, daughter of Frank Buffum of East Wallingford, and about eight years old, who is in the habit of walking in her sleep, fell Wednesday night, May 24, hurting her head and neck seriously.

A petition in bankruptcy has been filed by Leonard Hunters of Waterbury Center, a wheelwright, a blacksmith, and a farmer. He has liabilities of \$2,740.44 and assets of \$5,855.50, of which \$747.50 are claimed exempt.

Melvin Nelson, aged fifteen years, who escaped from the industrial school at Vergennes last Sunday night, was returned to the institution Wednesday by Deputy Sheriff A. B. Sinclair of Cambridge, from which town the boy was sent to the school.

T. L. Hunt, road commissioner in Hartford, is measuring the roads in town by a method which is accurate, labor saving and not without some enjoyment. A cyclometer has been attached to the rear axle of Garfield Miller's automobile. The cyclometer will record the distance passed over, and thus the road mileage of the town can be easily determined.

Calvin P. Titus, who was at one time a member of Co. K of Bennington, will be graduated from West Point Military Academy this year. Cadet Titus was appointed to the military academy as a cadet-at-large in recognition of his bravery during the Boxer uprising in China five years ago. During the war with Spain Titus was the bugler of Co. K, and after his discharge he enlisted in the Ninth United States infantry.

A great deal of complaint is being made about Shelburne in regard to the rate of speed that is indulged in by automobilists. The streets of Shelburne are in excellent condition for racing, and some of the autoists are not slow in embracing the opportunity and letting their machines go at the highest rate of speed possible through Shelburne village. Unless these parties reduce the speed to the rate allowed by law they will be complained of and arrests will follow.

Winooski people are considerably worked up over the sudden deaths of a number of pet dogs and cats which occurred in the past two weeks. From what could be learned no less than four cats and three dogs have thus far met their fate from poisonous food placed in such places that the animals would be sure to get it. One of the dogs, a large and handsome bull dog owned by Philip Godue, was seized with spasms and while the owner was gone after assistance the dog left home and has not been found since. The other cases the animals were taken ill in the same manner and died within a short time.

No Public Park for Bellows Falls.  
At the last meeting of the Board of Trade C. W. Osgood, P. H. Hadley and H. D. Ryder were appointed a committee to see if anything could be done toward securing what is known as Russell park at the north end for a village park. Mr. Osgood met W. A. Russell in Boston, but Mr. Russell was unwilling to consider the park project from any point of view. The land at the north end will be disposed of for building lots. L. J. Royce already has a lot staked off opposite the new bridge and will build

## SCIENCE PREVENTS BALDNESS.

The Fatal Germ and Its Remedy Now Facts of Science.

It is the rarest thing in the world for a man to be necessarily bald. No man whose hair is not dead at the roots, need be bald if he will use Newbro's Herpicide, the new scalp antiseptic. Herpicide destroys the germ that cuts the hair off at the root; and cleans the scalp of dandruff and leaves it in a perfectly healthy condition. Mr. Mannett, in the Maryland Block, Butte, Mont., was entirely bald. In less than a month Herpicide had removed the enemies of hair growth, and nature did its work by covering his head with thick hair an inch long, and in six weeks he had a normal suit of hair. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

## Line Fence Dispute Settled.

A dispute of over four years' standing has apparently come to a conclusion in the north end of Burlington. The trouble has all been over the boundary line between the yards at 237 and 229 Elmwood avenue. Mrs. Mary Blair is the proprietor of the premises at 229, and some four years ago she erected a fence which projected seven inches on Patrick Downs' the other proprietor's land. He objected at the time and then went to New York, where he remained several months. When he returned home the fence was in the same place and there was another argument.

After many months of verbal controversy, Mr. Downs saw an attorney and stated his troubles. With the lawyer's help the fence has been removed but Mr. Downs has been told to set foot on the adjoining premises under penalty of the law.

## Atty. McCarty Withdraws.

Bennington, June 5.—Atty. Charles McCarty of Hoosick Falls, N. Y., who has practically been the leading attorney in the attempt to save Mrs. Mary Mabel Rogers from the gallows, has withdrawn from the case and Saturday left for Jacksonville, Fla. The general opinion here is that Mrs. Rogers will pay the penalty of her crime.

## No Secret About It.

It is no secret that for cuts, burns, ulcers, fever sores, sore eyes, boils, etc., nothing is so effective as Bucklen's Arnica Salve. "It didn't take long to cure a bad sore I had, and it is all O. K. for sore eyes," writes D. L. Gregory of Hope, Tex. Only 25c at the Red Cross Pharmacy.
